

CHECKLIST

FOR THE INSTANT36 MOVIE FESTIVAL

BEFORE THE SHOOT

...all participants should get plenty of sleep in order to be in top shape for the 36h of film production.

SUSTAINABILITY

Please make sure to work in an environmentally friendly & resource-saving way during the production.

THE SHOOT

On Saturday at 10:00 am, a theme and subject will be announced on our homepage www.instant36.at, on Facebook www.facebook.com/instant36 and by e-mail. From then on you have 36 hours to produce your film. The film must deal with the topic and clearly show the given object in at least one scene.

Important:

*Please make sure that you only use images and sound material for which you own the rights or use music with a suitable **Creative Commons** license! You can find more information here: www.creativecommons.org/legalmusicforvideos*

On the following Sunday, at the latest at 22:00 o'clock you must have handed in your film at the next drop-off point or online!

If you are too late, we will not be able to accept your film, so don't forget to take into account the time your editing program will need to export your film, so please allow one or two hours for this.

THE SUBMISSION

The best way to send us the link to your film is via www.wetransfer.com. The time when we get the working download link to office@instant36.at is valid. WeTransfer will send the link only after the upload is complete, so please allow enough time for the upload! If you submit online, please send the submission form and the film still by mail to office@instant36.at.

BEFORE THE SCREENING

All films will be collected, screened and shown to the preliminary jury. The jury will then decide which films will be shown to the main jury and the audience at the main screening in Salzburg. We will announce which films will be shown at the screening on November 25 at the ARGEkultur in Salzburg at the latest on the Monday before the festival evening..

SCREENING EVENT

On Saturday, November 25, there will be the big screening at the ARGEkultur Salzburg, where a renowned jury will decide on the winners and the audience will also choose a winner. In addition to the screening at the ARGEkultur Salzburg there will be a livestream. The program for the evening and further information can be found on the website or Facebook. After the main screening in Salzburg, there may be further screenings in other cities or various specials with the submitted contributions at partner festivals and broadcasters..

For questions or more info please write to office@instant36.at or visit www.instant36.at.

Good Luck!
